

Contura 52

Contura

The Contura 52 cast iron stove has hot air outlets on both sides and chrome handles as standard. The Contura 50 series burn cleanly and efficiently. As well as being environmentally sound the Contura 50 log burning stoves can be fed air from outside which makes them perfect for heat efficient new homes. This stove is also available with a soapstone surround [Contura 52T](#).

Contura's entire range already meet the new emissions regulations being introduced in 2022.
