

Scan 65 Oven

Heating and baking in one. This taller model of the Scan 65-series has a baking compartment integrated above the burn chamber. Which is perfect for preparing smaller dishes. The baking compartment is enamelled and has a glass bottom plate that makes it easy to clean. A baking thermometer is standard on this stove.

Available with or without side windows. A soap stone top can be added as an extra accessory.

This woodburner already meets 2022 emissions regulations.
